Assembly Instructions – Double Bay Window House Kit

	<p>When you receive your kit it will come with all the individual pieces ready to assemble. Use a good quality glue for best results.</p> <p>You can paint the parts before assembly but ensure you avoid the finger joints or assembly may be difficult. If you are going to cover any parts with paper, use the unassembled parts as a pattern.</p>
	<p>Assemble the 4 walls, ensure any engraved details are on the outside.</p>
	<p>Slot in the bay window support parts.</p>
	<p>Glue on the bay window roof supports and window panels – 3 panels per window. Ensure they're the right way up!</p> <p>Glue on the door frame.</p>
	<p>Glue on the window frames, bay window roof panels and top with the roof pieces.</p> <p>And that's it – we hope you've enjoyed putting your kit together.</p>
