

### ASSEMBLY INSTRUCTIONS – HELLHOUND SKELETON

Own your very own hellhound skeleton! This kit includes all the parts you need to create a stunning piece of Halloween home decoration. The kit comes as flat pack pieces in sheets, and we recommend that you familiarise yourself with what goes where before starting. You can paint/roll the pieces while still in the sheet if required as it's easier than painting once assembled.

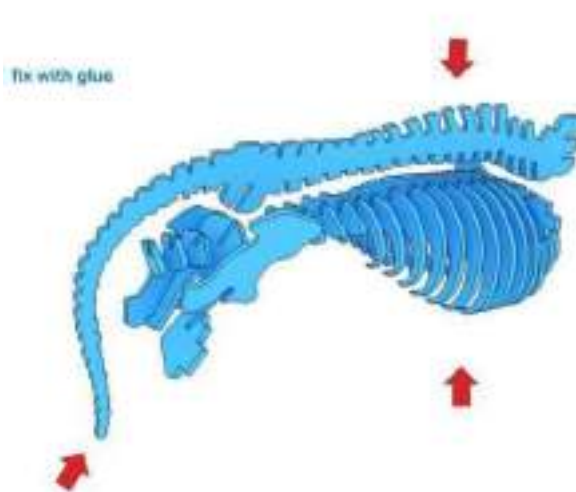

Figure 1

Figure 2

Figure 1 – Assemble the pelvis and attach this and the ribs to the spine.

Figure 2 – Assemble the leg and feet pieces.

fix with glue

Figure 6

Figure 5 – Attach neck spines, collars, chains, and skull pieces.

Figure 6 – Attach neck/skulls to body and assembly is complete!

### HINTS & TIPS

Always use a good quality wood glue. Make sure you wipe away any glue oozes immediately with a damp cloth.
